

Hungry Snail Food Co-op
Bringing fresh food home...

Public Meeting

Wednesday 9 March, 5.00-6.00pm
at The Spring Cafe, 299 Barnsley Road, Wakefield

All Welcome

- What is the future of the Hungry Snail Food Co-op?
 - Can we become a valuable service for Wakefield?
 - Could we think about opening a community shop?

Over the last few years a lot of time and effort and money has been invested in the Hungry Snail Food Co-op. We have grown from a tiny little project to a small business. We have acquired some assets, a customer base, and a fairly good reputation. We're also developing quite a lot of good knowledge and experience about running a social enterprise in Wakefield.

We feel this is too good to let go, but we're struggling to do proper marketing and development work and sales remain far below sustainable levels. We are holding this meeting to ask for more support and involvement from the community we're serving. We've got some ideas, and they don't mean you will have to do lots of hard work.

Please come along to find out more, or if you can't make the meeting but would like to support us then please call or email:
